HEILIND

HEILIND ELECTRONICS EUROPE LINE CARD

Leaders in Interconnect Distribution

Find the best solutions for your company with Heilind Electronics Europe!

Distribution

Thanks to the strategic location of our distribution centers, Heilind Electronics Europe is able to optimize the logistics process and serve our customers even faster than before.

Products

We offer our customers products of the highest quality from the largest partners in the electronics industry.

Connectors	Product labeling
Terminal blocks	Antennas
Wires & cables	Circuit protection
Relays	Fiber Optics
Switches & buttons	Hardware
Fasteners	Sockets
Sensors	Terminals

Application

Products offered by Heilind Electronics Europe are used in various industries and their innovation allows us to create solutions for the latest technologies.

Aviation	Energy	Home appliances
Marine	Automation & control	Mass transport
Aerospace	Medical sector	Robotics
Defense	Industry	Heavy construction machinery
Information technology	Telecommunication

Who are we?

Heilind Electronics Europe is one of the world leaders in the distribution of electromechanical components such as connectors, switches, relays, sensors and fasteners. We operate in the following industries: MIL / Aero / Space / Marine & Industrial, and have subsidiaries in the Americas, Asia and Europe.

1974 On the market since 1974

40 subsidiaries in the US, Brazil, Canada, Mexico, Germany, Poland, Hong Kong, China, Singapore and throughout Asia

3 warehouses/distribution centers

132 electronics industry partners

Our company represents industry-leading manufacturers and brings the latest products and technologies to its customers. Our experts possess an excellent technical skill set and focus on customers needs by assisting engineers with design issues.

Why Heilind Electronics Europe?

Heilind works with a number of leading logistics partners owns warehouses and inventories all over the world. This gives us high availability and fast delivery – with no minimum order value and a minimum order quantity starting at 1 piece. Heilind supports its customers with fast and reliable RFQ and order processing, technical assistance, value-added services and efficient supply chain management. Heilind is the best choice for cost-efficient and on-time procurement. Heilind certifications correspond to the high-quality standards of:

• DIN EN9100:2018 (based on ISO9001:2015, equivalent to SAE AS 9100D and JISQ9100:2016)
• VG96927 – basic types: A, B, C, D, E.

Heilind Electronics Europe stands out due to:

Knowledgeable technical support

Quick availability

High-quality standards
(approved by certificates)

Unsurpassed customer service

More information? Contact us!

Heilind Electronics Europe has a strong sales organization and specialists with a technical background in close relations with its customers and manufacturers. They are ready to support them at a high level of competence.
