

CREATE FUTURE WITH US

HEILIND

Performance. Trust. Innovation.

Heilind is one of the world's leading distributors for interconnect and electromechanical products. We are a privately held and internationally successful midsize company in the Americas, Asia-Pacific and Europe regions with focus on Interconnect, Electromechanical, Fastener and Sensor products. In 1974 Heilind was founded by Bob Clapp and has grown to a company with more than 1.000 employees world-wide. Having business in Poland, Czech Republic, Slovakia, Hungary and Romania, we are now continuing to grow our presence and are seeking to employ you as:

Inside Sales Representative (f/m)

**based in Krakow (Poland),
with native language skills of either Czech, Slovakian,
Hungarian and/or Romanian**

Your tasks:

- Customer relationship management and focus on customer satisfaction
- Managing the whole process chain from queries to order processing
- Clarifying of orders or complaints, after-sales support
- Active collaboration and communication with field sales and customers
- Providing sales reports and analysis

Your qualifications:

- Experience within inside sales and strong communication skills
- Experience of working within the electronic component/fastener distribution or manufacturing marketplace
- Knowledge of interconnect or fastener products would be an advantage but is not essential
- Ability to communicate in **English and Polish**
- **Native language** skills in either Czech, Slovakian, Hungarian or Romanian is a must

Become part of our team

We offer:

- an exciting job in a growing company,
- exceptional scope for development,
- the possibility to bring forward your ideas.

You are interested?

We are happy to receive your complete application documents, incl. your earliest starting date and salary expectations. Do you have questions? Please don't hesitate to contact us via phone or e-mail.
